

Peek at the Week

Friday 3rd February

We have had a very enjoyable week in Waveney class this week. We have continued to use *Aliens Love Underpants* as our focus story, which we have enjoyed. We have made up names for aliens and painted them. We wrote captions to go with pictures from the story and we wrote letters to aliens too. We have had fun buying pants in the pants shop by matching the correct coins to the prices. Some of us have worked on number bonds - different ways of making ten. We have investigated materials to find which the best for were making pants from. We have decorated large pants to hang out for the aliens as well.

REMINDER Please can you make sure ALL clothes are named (uniforms, PE kits and outdoor clothes) as there are still items with no names in.

Can you make sure that the red reading record sheet is sent into school each day in the folder as well as high frequency word cards and books.

PLEASE NOTE Next week is parents' evenings for Nursery and Reception parents - forms are outside the office for you to sign up against a time. Mrs Spice will be seeing parents on Wednesday and Mrs East on Thursday. Thank you.

READING STARS

Chloe Martin
Poppy Schwier
Oliver Foster-Clarke
Amelia Crofton-Sleigh
Summer Godbold
Arieanna Ria

Waveney Class's Star of the week is Betsy Johnson, who has worked really hard this week with saying sounds and blending them together. Well done, Betsy! We hope you have fun with *Star the Pony*!

TOP TIP!

Nursery - Look for shapes all around you. Can you find things that are circles, squares and triangles?

Reception - Collect together a group of ten objects. Put them in two groups. Say which numbers go together to make ten. Write the sums. Try this with collections of other amounts. You could even break them into three groups.

Have a lovely weekend!

The Early Years Team
