

# Peek at the Week

Friday 12<sup>th</sup> January

Welcome back and Happy New Year! We hope you all had a good holiday. The children were very excited to talk about what they had done. We are looking forward to your fantastic children continuing to make progress in all the areas this term.

This half term's topic is transport and our theme book this week has been Mr Little's Noisy Car by Richard Fowler.

We have read sentences about cars that included some describing words and made up our own sentences. Lots of us were able to use phonics to spell the words. We have made cars from junk modelling materials and from construction kits and some of our models had moving wheels. The junk models are on display in The Atrium. We made a lift-the-flap page with an animal in the car, just like in the book and we wrote a caption to go on our page. We have counted and added amounts of wheels together. Some of us collected information about the colour of our family cars and recorded it on charts. Well done to Nancy Day who worked out how many wheels ten cars would have.

We will be starting the school Reading Challenge next week. You will need to record by a signature each day that your child reads to you at home. When they have read 25 times they will receive a certificate in the celebration assembly on Friday then work towards the next 25 throughout the year. The signing sheet is in your child's book folder.

Waveney Class's star of the week is Oscar Eaves. He has worked especially hard with his reading, writing and phonics this week. Well done, Oscar, we hope you have fun with star the pony!

## TOP TIP

**NURSERY** Choose a letter from s a t p and collect pictures of things that begin with that sound. Write the letter.

**RECEPTION** Choose a digraph from sh th ch and collect pictures of things that begin with that sound. Can you write the word?

Have a good weekend!

The Early Years Team
