

Peek at the Week

Friday 9th February

We've come to the end of another half term and what a busy one it has been. This week our theme was fire engines and we used a non-fiction text as our starting point. We were very excited to welcome Fireman Chris and his fire engine to school on Tuesday afternoon. We have been writing captions to go with the photographs that we took when Chris came. In maths we have been finding different ways to make 10 using a number grid and we have added and subtracted by counting up and down a number ladder. We have made models of burning buildings and collaged a big fire engine picture. We also painted fire engines and hand-printed firefighters by following instructions. We have been role playing being firefighters pretending to put out fires.

We also took advantage of the snow - the children used it for writing in, making potions and little snowman models. They also watched it melt on warm hands.

Waveney Class's star of last week was Daisy Martin and this week's star is Ted Cossey. Well done to both of you. Daisy had fun with Star the Pony and we look forward to finding out what she does with Ted.

REQUEST

Please could your child bring in cardboard tubes (not toilet rolls) and a named wooden spoon for craft activities the week after half term.

HOME LEARNING

NURSERY Draw or paint a picture about something you do in the holiday.
Can your child choose appropriate colours for the things they draw?

RECEPTION Draw a picture and write about something you do in the holiday. Try and spell the words yourself using phonics.

★ THIS WEEK'S ★

READING STARS

Bella Martin

Daisy Martin

Oscar Eaves

Korbyn Rampley

These children received their bronze reading certificate. Please make sure your red card is signed and put in reading folder every day, so your child can be rewarded
