

# Peek at the Week

Friday 23<sup>rd</sup> February

Welcome back. We hope you had a good half term break. This term our theme is fantastic creatures and we have focussed on dragons this week. We read the beginning of the story Zog by Julia Donaldson and predicted the ending, writing our own and comparing them what really happened. We have talked about jobs that adults do and what they might like to do when they grow up. We have found doubles of numbers and amounts when we made our sparkly star biscuits and we have compared the sizes and measured dragons. The nursery children have counted dragons, practising saying one number for each dragon and they played hunt the number and counted out the correct number of gems on to the numbers they found. We have also had great fun rescuing dragons from ice and making dragon models from cardboard tubes and wooden spoons. We have enjoyed learning about and celebrating Chinese New Year.

★ Waveney Class's Star of the Week is Bella ★  
Martin. She worked with various partners to make our fabulous classroom dragon and has done some fantastic work. Well done, Bella, we hope you have fun with Star the Pony.

★ THIS WEEK'S ★  
READING STARS  
BRONZE  
James Popaj  
Sonny Ransome  
Ted Cossey  
Nancy Day  
Sienna Impey  
Jasper Miller  
James Riches  
Finn Carter

**REQUEST** Could we ask that the children don't bring toys, coins or chocolates for other children. Occasionally we ask them to bring in specific items on the topic we are learning about or money for sponsored or charity events. Of course, if the children go somewhere interesting (e.g. farm, castle, zoo) we love it if they bring in something to show and talk about. We also like to receive a postcard written by the children if they go away in the holidays.

## HOME LEARNING

**NURSERY** Practise threading beads, pasta tubes, buttons, cotton reels etc. on to laces or strings. How many can you thread? Can you write the number?

What else can you find with holes in?

**RECEPTION** Practise cutting items in half (e.g. cake, sandwich, pizza, wrap). Make sure that the two pieces are fair. What shape did you start with? What shape are the halves?
