

Peek at the Week

Friday 9th March

We are glad that the children are back in school after all the snow! We are sure there were lots of snowmen built in and around the village! On Monday we drew snowy pictures and wrote about what we did in the snow. We looked at a suitcase of clothes and talked about which were suitable for different types of weather then we designed clothes for a bear.

Our theme story this week has been *The Smartest Giant in Town*. We have written character descriptions of the giant and designed and made giant ties. We estimated and counted the number of objects that would fit inside the giant's boot and some of us had a go at writing the number. We found pairs of rhyming words in the message at the end of the book and wrote our own messages to the giant.

We have been busy making something for our lovely mums. We won't spoil the surprise on Mothers' Day by saying what it is!

Waveney Class's star of the week is James Popaj who has worked really hard on his writing this week. Well done, James. We hope you have fun with Star the Pony.

REQUEST Each class chooses a charity to support and this year we have chosen *The Nook Appeal* for EACH (East Anglian Children's Hospice). We are going to collect 1p and 2p coins in a jar to contribute towards buying a virtual brick with our class name for the new building. We will put a jar in the classroom to collect them in.
