

# Peek at the Week

Friday 15<sup>th</sup> June

What a busy week it has been in Waveney class. Our focus book this week was *Snail Trail* by Ruth Brown. We found out and wrote facts about snails and wrote our own snail

stories in groups. The Reception children found lots of words containing the digraph *ai*. In maths we measured shells and guessed which spiral was the longest, checking by comparing and measuring and we solved number problems using bugs. We looked at Matisse's famous *Snail* picture and used it as inspiration for creating our own work of art and some of us created sparkly CD snails too.

This week's star of the week is Daisy Martin, who has done some amazing writing about snails. Well done, Daisy, we hope you have fun with *Star the Pony*.

**THANK YOU** to all the parents, grandparents, brothers and sisters who joined us on our wild walk. We had a good time and hope we raise a fantastic amount of sponsor money.

## ★ THIS WEEK'S ★ READING STARS

### BRONZE

Tobie Cunningham

### SILVER

Flossie Wilson

Ted Cossey

### GOLD

Nancy Day

Ted Cossey

### DIAMOND

Jasper Miller

James Popaj

Sonny Ransome

James Riches

### RAINBOW

Oscar Eaves

Bella Martin

Daisy Martin

## HOME LEARNING

**NURSERY** Choose a toy. Can you place it in/on/under/beside/behind a box or a basket?

**RECEPTION** Next week we are looking at worms. Go on a worm hunt in your garden.

Record how many worms you find and where.

Have a lovely weekend! The Early Years Team
