

**FRESSINGFIELD
COFE PRIMARY SCHOOL**

100 HEARTS FOR 100 YEARS

As the centenary of the end of the First World War approaches, children across Key Stage 2 will be learning about 'The Great War' and taking part in many of the commemoration activities planned in the village.

As part of this, they will be sewing felt hearts—such as those sent by injured soldiers to their loved ones at home—as part of the 100 Hearts for 100 Years project.

If you would like to help us (sewing with children *always* needs lots of adult support), and you know how to thread a needle, please let Ms Perry, Miss Brown or Mr Leicester know.

PLEASE JUST ASK

We like to think that we are a warm and welcoming school and we have worked hard to try and improve our communication with parents over the last year. This newsletter, for example, comes out every two weeks.

However, sometimes it is possible to feel out of the loop and sometimes issues arise that need to be discussed. If you have any questions or concerns, please just ask. The school office can be contacted either by phone: 01379 586393, or email: admin@fressingfield.suffolk.sch.uk.

Teachers can be contacted either through the office, or in class at the start or end of each day. And, if you would like to talk to Mr Taylor, you can either arrange an appointment through the office, or catch him on the playground in the morning. Thank you.

A huge welcome back to one and all! Already the summer holidays seem to be receding into distant memory as we get on with the business of learning, the daily routines and look forward to a busy term ahead. Nonetheless, we hope you enjoyed them. We are delighted to welcome so many new faces to Fressingfield, but particularly in Nursery and Reception, where the new children seem to have settled in very quickly: it is such an exciting time! We are also pleased to welcome Miss Adamson to our staff as the Year 1 teacher in Danube Class. Her arrival means we now have 6 classes through the school, which means fewer children in each class— what a pleasure for everyone.

SCHOOL PHOTOS

Remember to brush your hair and iron your collars on Tuesday 18th September for the School Photographer. Individual photographs will be taken along with photographs of brothers and sisters in school. If you would like the photographer to take a photograph of any younger or older siblings, not currently at Fressingfield, just talk to Mrs Drax in the office to arrange a time.

PLIMSOLLS

Mr Hepburn, the PE teacher, has requested that all children in Key Stage 2 have both trainers for outside, and plimsolls for inside use. It is also a good idea to have a spare pair of socks in PE bags incase one pair get wet.

WAVENEY FOODBANK

There is a new initiative from the local foodbank for people in our villages. It can provide help in the form of a box of food with three days supplies in. Furthermore, as there is very limited public transport in our villages, the organisers will deliver the foodboxes to your door should you require. If you, or anyone you know, would benefit from having a box from the foodbank to help them over a crisis, please call 01379 388493.

MEDICINES

If your child needs to take medicine, or needs access to emergency medicines (eg: asthma inhalers or epi-pens), please could these be given to the office where they will be kept securely.

If your child should need to take any medicine in the future, a form will need to be completed to allow us to administer it. These can be collected from the office.

DO YOU HAVE...

We could do with the following items—can you help?

- Old shirts that can be used as painting aprons
- Old plimsolls for spares
- Newspapers for covering tables.

FLUTE AND RECORDERS

The children in KS2 have now been issued with their flutes and recorders by Mrs Koralambe. These lessons will take place on Thursdays.

Please could all children now return their loan agreements which were issued this week.
