

# Peek at the Week

Friday 19<sup>th</sup> October

We have come to the end of our first half term in Early Years. I think you'll agree it has been a very busy one. This week, we have been focussing on Incy Wincy Spider. We have learnt about spiders and have written fact sheets. We went outside and looked for webs - there were hundreds! We have been writing for lots of purposes - notes, messages and lists. We are still focussing on correct pencil grip, writing names and forming letters correctly. In maths we have been counting spiders' legs, and finding different ways of making 8.

On Friday we celebrated Black History Month by looking at *So Amazing* by the artist Sonia Boyce and creating our own.

We made spiders and webs using a wide range of materials and techniques and creating little dens for spiders. We have been using black sparkly play dough to create spiders.

★ Well done to those children who are coming into school and sorting out their things independently. We hope that all Reception children will do this after the holiday. ★

Reminder - Thank you to the parents who have already sent in 50p donations for cookery. We are planning to make biscuits after half term, so would be grateful if you could send in your contribution on the first day back (Monday 29<sup>th</sup> October) if you haven't already done so..

Please make sure your child reads their book daily and the high frequency word strings should be kept in the book bags so that we can add to them as needed.

Waveney Class's Star of the week is *Summer Snell* who has been doing some lovely writing and some fabulous art work this week. Well done! We hope you have fun with Star the Pony!

## HOME LEARNING

Practise writing numbers and letters and names. It would be great if you could visit your local library in the holiday as there are lots of events for children.

Have a super week!

The Early Years Team
