

# Peek at the Week

Friday 3<sup>rd</sup> May

We have had a really busy week in Waveney Class. Our theme book for this week has been Jasper's Beanstalk by Nick Butterworth and Mick Inkpen. We also looked at the story of Jack and the Beanstalk and Reception compared features of the two stories, while Nursery listened to the story and built a giant's castle out of junk materials.

We have all planted beans in our own little greenhouses and Reception have started making bean diaries. Nursery ordered beanstalks according to size and some of them did some good work on counting pictures, recognizing and writing numbers. Reception wrote numbers on leaves and put them on our beanstalk in order. Reuben did a fantastic job of putting the odd numbers on one side and the even numbers on the other side. We used dried beans to make patterns on grass circles and learnt a song about beans.

Waveney Class's Star of the Week for last week was **Oscar Broadley** who worked really hard on lots of activities and was a really good helper. Well done, Oscar, we hope you had fun with Star the Pony! Our winner of Mrs Fenning's Award for EYFS progress for last term was **Kayden Berry**. He was awarded his certificate this week so we hope you and Star the Pony have fun together too.

Bronze

Amelia Oldridge

Diamond

Reuben Rankin

Rainbow

Imogen Pipe

WELL DONE!

## HOME LEARNING!

- Nursery** – Look for numbers in the environment. Can you say what your house number is? (If it's tricky, the numbers that make it, e.g. 2,3,5, rather than two hundred and thirty five).
- Can you paint/collage your house number? If your house has a name, can you name the numbers on your car registration instead?
- Reception** – Can you find a rhyme/song about growing? See if you can learn it and perform it to the class. You might even be able to learn some actions or a simple dance.

Have a super bank holiday! The Early Years Team
