TOPIC	Monday	Tuesday	Wednesday	Thursday	Friday
	French	Science	History	PE	ART
Focus	Colours in French	Food Chains	What happened at Must Farm?	As we are not having Sports Day in school this year, why don't you have a go at creating your own sports day in the garden? You could create an obstacle course, have sack races or egg or spoon race. You can make up your own ideas. Be sure to take pictures for us to put on the class page of the school website.	ART <u>International Plastic Bag Free Day</u>
Task	https://www.french-games.net/frenchlessons?topic=Colours&level=primary French colours activity sheet.	Watch https://www.bbc.co.uk/bitesize/topics/zbnnb9q/articles/zwbtxsg Use the 'sorting game' worksheets to create different food chains.	Read the PowerPoint Use the evidence from the PowerPoint to draw a reconstruction drawing of the OUTSIDE of a roundhouse.	As we are not having Sports Day in school this year, why don't you have a go at creating your own sports day in the garden? You could create an obstacle course, have sack races or egg or spoon race. You can make up your own ideas. Be sure to take pictures for us to put on the class page of the school website.	Design and make, if you can, your own reusable bag.
Extension	French colours word search	Complete the food chain worksheet.	Use the evidence from the PowerPoint to draw a reconstruction drawing of the INSIDE of a roundhouse.	Music Recorders https://www.bbc.co.uk/teach/school-radio/primary-music-ks1-ks2-index/z6762sg Computing Purple Mash Explore the 2Code section of computing.	Collage This is a project for the half term. It explores different techniques when creating collages. You can do a session per week. DT Pop-up books. Making moving parts. This is a project for the whole half-term. See the unit of work above and complete a task each week.
