

Art Lesson - Tuesday 30th June

This half-term in Art we are looking at completing art relating/linked to music. Today we are focusing on the artist, James Mayhew, who lives locally and is a well-known illustrator and author. During the video, James Mayhew paints the story behind the song to the music being played.

Listen to the video and watch how he paints part of the story. Then listen to the music again and have a go at painting/drawing the story behind the music too.
