

Art Lesson - Tuesday 23rd June

This half-term in Art we are looking at completing art relating/linked to music. Today's lesson is to listen to a happy song and then draw something that the song makes you want to draw.

- First discuss how sad songs could make you feel while listening to them.
- Next listen to Justin Timberlake - Can't Stop This Feeling (or another happy song of your choice)

<https://youtu.be/gWjmyVQwgRw>

- After listening to it, discuss how it made you feel.
- Then draw or paint a picture of your choice - something the song made you think of.
- Discuss the similarities and differences between the picture you drawn last week and the picture you've drawn this week. How did the different songs affect your mood and what you decided to draw?
