

Art Lesson - Tuesday 14th July

As this will be your last Art lesson of the school year I thought it would be nice to keep it very relaxed so you could choose what you want to draw or paint.

Your mission is to find something in your home, garden or while you're on a walk that you think is beautiful. It could be an insect, flower, house etc. and I would like you to have a go at either drawing it or painting it.

I would love to see all of your beautiful drawings or paintings so please send me a picture if you wish to.
