

Hi Congo Class,

I've really missed you all! I've been up to all sorts of things like taking care of my garden, helping my grandmother and grandfather on their farm, walking my aunts 3 dogs with my sister, swimming in the sea, going for long walks, photography, camping on our V-Camp weekend and taking up the challenge of our 12 month Camp out with Scouts. I am going to sleep out for one night every month, even in December, to earn my Gold badge. In the afternoon I just chill and play. I can't wait to see you all in September.

From Jacob

Here are some photos of what I've been up to.
