Headteacher: Mr Mark Taylor

2nd October 2020

Dear Parents and Carers,

Thank you to all of you that have returned the Remote Learning Survey. The information will enable us to support our children at home should we need to in the future.

The staff are very aware that the weather is getting cooler. The heating is now on, but we are keeping the windows open to reduce the risk of airborne infection, as per Government guidance. Therefore, please ensure your child comes to school in warm clothing (jumper, fleece, trousers, tights etc). It would even be good if they had a warm hat and neck warmer! We don't want the children get cold, but at the same time we want to reduce the risks for all. As the temperatures decrease further, we will continue to review the situation and we're seeking further guidance.

With ever increasing rainy days please could you make sure your child has a pair of boots in school. We are getting to the point where only children with boots will be allowed on the field and it would be wonderful for all children to be out there, even when it's wet.

Also, if you have any spare boots that can be donated to the school that would be wonderful or if you're struggling to get boots for your child for any reason please let the office know and we will try to sort something out.

I am very aware that with parents dropping off and collecting from the school gates you do not have the opportunity to see what is going on inside the school. Therefore, from Monday 5th October we will be using our school Twitter account to keep parents up to date with some of the new and fabulous things happening, such as, the new outdoor sinks, displays and children's work. We will not be posting images of the children for obvious reasons.

Once again thank you for your support and feedback.

Yours sincerely,

A handwritten signature in black ink that reads 'M Taylor'.

Mark Taylor
