Dear Parent/Carer,

Thank you for your help since the school opened. However, I would like to remind you of a few points.

- Please **do not** send your child to school if they are ill and displaying the symptoms highlighted in the letter dated 3rd September. We will have to send them and their sibling's home if they display COVID-19 symptoms. Additional cleaning will need to take place if your child has entered the school. This may also result in other children losing learning time whilst the classroom is cleaned.
- When dropping off and collecting please **follow the arrows** and do not go back on the flow of parents
- Observe **social distancing**. Having a face to face conversation within 1 metre of someone counts as being in close proximity to them, and could lead to you having to self-isolate if that person becomes infected with COVID-19
- **Drive slowly and carefully** when approaching and leaving the school. Please remember there are lots of young children about, many of whom walk to school. I have witnessed a number of parents pulling into and away from the site too quickly
- Please **do not mount the pavements** when parking
- Please **turn off your car engine** when the car is stationary
- Please ensure coats are sent in with your children as we **can no longer** use the spare ones we have in school.

Below I have included some video links from Suffolk County Council that provide some additional guidance on travelling to and from school, with a particular emphasis on Covid-19 precautions.
