

# Nature Poem: The Senses

Such a sight I saw,  
Birds singing in the trees,  
Children playing and having fun,  
The sparkling rainbow,  
Such a sight I saw.

Such a sound I heard,  
Birds tweeting in the sky,  
Children laughing,  
Leaves crunching,  
Such a sound I heard.

Such a touch I felt,  
Wet slippery wood,  
Wet wet grass,  
Rain pouring down,  
Such a touch I felt.

Such a smell I smelt,  
Wet mud,  
Cooking food,  
Crisp air,  
Such a smell I smelt.

Such a taste I tasted,  
Plain crisp air,  
Tasty food,  
Splashing rain drops,  
Such a taste I tasted.

# Nature Poem: The Senses

Such a sight I saw,  
Leaves falling off the trees,  
A big shinny rainbow,  
Rain dripping,  
Such a sight I saw.

Such a sound I heard,  
Children playing,  
Leaves crunching,  
Such a sound I heard.

Such a touch I felt,  
Super hard wood,  
Curly wet wood,  
Such a touch I felt.

Such a smell I smelt,  
Super hard wood,  
Nice, shinny flowers,  
Such a smell I smelt.

Such a taste I tasted,  
Rain drops on me,  
Super-duper cold ice,  
Such a taste I tasted.

# Nature Poem: The Senses

Such a sight I saw,  
Birds flapping beautifully,  
Shinny, shinny rainbow,  
Children playing happily,  
Such a sight I saw.

Such a sound I heard,  
Birds tweeting, beating,  
Breeze in the trees,  
Chirping, flapping birds,  
Such a sound I heard.

Such a touch I felt,  
Cold, wet wood,  
Wet rope rope,  
Rough, prickly grass,  
Such a touch I felt.

Such a smell I smelt,  
The wet, muddy mud,  
The green, greeny grass,  
The rainy, rain,  
Such a smell I smelt.

Such a taste I tasted,  
The airy, airy air,  
The cold, wet rain,  
The delicious meal,  
Such a taste I tasted.

# Nature Poem: The Senses

Such a sight I saw,  
Children playing happily,  
A beautiful, shiny rainbow,  
Birds flying in the sky,  
Such a sight I saw.

Such a sound I heard,  
Children chatting in the playground,  
Birds chirping up high,  
The mud is squelching,  
Such a sound I heard.

Such a touch I felt,  
Cold, wet wood,  
Damp, cold rope,  
Wet, green grass,  
Such a touch I felt.

Such a smell I smelt,  
Beautiful, smelly flowers,  
Stinky, squelchy mud,  
Birds tweeting, beating,  
Such a smell I smelt.

Such a taste I tasted,  
The wet rain,  
The dirty mud,  
The airy air,  
Such a taste I tasted.

# Nature Poem: The Senses

Such a sight I saw,  
Trees moving,  
A rainbow,  
Such a sight I saw.

Such a sound I heard,  
Children playing,  
Children laughing,  
Such a sound I heard.

Such a touch I felt,  
The leaves on the trees,  
Such a touch I felt.

Such a smell I smelt,  
The air swishing,  
The tasty lunch,  
Such a smell I smelt.

Such a taste I tasted,  
The rain is dripping,  
The food is yummy  
Such a taste I tasted.
