

Mrs Judith Mobbs Chair (Trust)

My professional background is in education, as a teacher, manager, Ofsted Inspector and also in policy development. Most recently I have specialised in support for children and young people with Special Educational Needs and Disabilities and currently work part time in this area. Alongside this I work in the family farming business and our new venture Fire and Feast Suffolk. I believe very strongly in the power of education to change lives and am pleased to be able to support Fressingfield School as a governor.

Mrs Clare Foster-Clarke, Vice Chair (Parent Governor)

As a parent of two boys at the school, I am looking to bring parents' perspective to the governing body.

Revd Canon Susan Loxton (Foundation Governor Ex-Officio)

As the parish priest here in Fressingfield, I have the privilege of being a Foundation governor and I also take assemblies on a regular basis. My passion is for children to grow up knowing that they are loved not for what they can do but for who they are, and to encourage them to have the ambition to reach their potential.

Claire Platais (Foundation Governor)

I first worked with Fressingfield Primary School as a National Tutoring Programme tutor, and I am delighted to have the opportunity to continue to serve the school as a Foundation Governor. I began my teaching career as a Religious Education teacher, before specialising in the support of children with additional needs. I now combine assessing and tutoring children with Specific Learning Difficulties, with training assessors.

Mrs Prue Rush (Co-opted)

I have lived in Fressingfield for over 40 years. I'm married to David who has lived and farmed here all his life and we have two children. I retired as senior practice nurse at Fressingfield Medical Centre several years ago. I served on Fressingfield Parish Council for 28 years.

Julie Hare (Parent Governor)

I am a mum of two with my eldest currently attending in Reception. I have worked in education throughout my career but this is my first opportunity to take a position as a parent governor. I hope to effectively represent the views of parents in our community and make a positive impact to the school experiences of our children.

Chris Conway (Associate Member)

As a Chartered Accountant I work with a number of businesses in the education sector, but this is my first opportunity to offer my skills and experience to a school directly. I moved to the area with my family in 2021 and hope to have a positive impact on my local community with this position.

Mr Jeremy Leicester (Staff)

Head of School - Elected by Staff

Mr Mark Taylor (Ex-officio)

Executive Headteacher
