ITEM	NOTES	ACTION - BY WHEN? - BY WHOM?
1. Welcome! How are our classes? What is going well at the moment?	School councillors shared their thoughts: Yangtze – Mr Leicester still hasn't got the hole in the ceiling! Remind him! Congo – Niall said he was enjoying shared reading, but that he would like to bring one of his own books to share. William and Chloe agreed, as did others Lydia mentioned that the chairs get confused after music, and could we think of a way to deal with this? Colorado – are enjoying their learning Danube – are missing Miss Adamson but getting to know their new teacher. They wondered why they didn't have Forest Schools any more	Talk to your class and remind them that, if there are any issues, to let you know! Niall and Hector to speak with Mr Leicester Unless anybody thinks of a better idea, we will just need to check everybody has the correct chair every Friday after music Anyone from Danube class needs to ask Mrs Bishop about Forest Schools
2. The big issue!	Ms Perry explained about the inclusion survey we did last term and the fact that a lot of children think the playground is dominated by older boys. Younger children also thought that they could do with more toys, eg bean bags and hoops in the KS1 area.	Ms Perry would like all school councillors to go back either to home or school and discuss this issue with someone; next meeting, we will think of three improved scenarios, and then vote on what we prefer. To feed back to pupil voice assembly
3. AOB (any other business)	Ms Perry will get your pictures taken very soon	Mrs Tooley to do this tomorrow (Friday 3 rd)

Date of next meeting: the first Thursday in March (2nd?)
