

Newsletter Summer Term 2023

Message from the CEO

In April the Trust celebrated it's fifth birthday which is a great achievement!

We continue to grow and hope to welcome our 12th and 13th schools to the Trust this Autumn.

We have had a great term so far and some very positive successes. We are capturing the positive news stories from across the schools in the Trust on our Twitter account but also want to share news with you in a newsletter.

A huge well done to our Year 6 who worked so hard to complete their SATs.

As we approach the Summer our schools will be liaising and helping to organise transition events with all the High Schools our pupils are transferring to. We are also looking forward to welcoming all our new families and new Reception children.

It has been a good Summer Term so far with so many successes- as you will see as you read on. We thank all the staff, Governors and our wonderful pupils in the eleven schools that make up the All Saints Schools Trust.

Well done to everyone at Occold Primary we are so proud of everyone!!

One of the great things about the Trust are the school collaborations which we have. **Fressingfield, Laxfield and Stradbroke Primary** schools recently went on a residential visit together for Y6 pupils to Hilltop. The children showed such perseverance and teamwork; pushing out of their comfort zones and cheering each other on!
