

Support For Victims of Abuse

The school acknowledges that victims of abuse need support, often from external school agencies. The most effective support offered locally is via Norfolk and Suffolk Victim Care team. The service can be accessed by any victim of abuse, or crime, and there does not need to be any social care or police involvement. To get in touch with the Victim Care team please use the following contact details.

Phone: 0330 303 3706
