DATE Thursday 18<sup>th</sup> January 2024

## WELCOME BACK!

<b>PEOPLE PRESENT:</b>	Dawson, Ada, Lyla, Barclay, Isaac, Elizabeth, George, Belle, Henry, Harriet, plus Ms Perry (and Mr Taylor for a bit)	
<b>ITEM</b>	<b>NOTES</b>	<b>ACTION</b> - <b>BY WHEN?</b> - <b>BY WHOM?</b>
1. Welcome back	Ms Perry welcomed everybody back, and asked how we were all getting on in class. We all seemed good.	Happy New Year! Everyone was feeling alright.
2. Comic Relief	Ms Perry explained that this was a fundraising event held in March. You are welcome to have a look online at home or in school to find out more.	To be discussed at next meeting
3. Pets in school	We had agreed that either fish (in an aquarium) or stick insects (or both) would be the best pets for school. We now need to do a survey of the children to find firstly, whether people would like an aquarium and, secondly, who would like stick insects in their classes. Mr Taylor talked with us about how to look after temperate (not tropical) fish, and said that they were quite hardy and very good value for money	Y6 children said they would design a survey (with Harriet), and Ms Perry will photocopy it. Next week, we can talk with the children in assembly (Henry and Belle would like to do this), and then start doing the survey.

Date of next meeting: the second Thursday in February 2024
